VOLUME LXIV., NUMBER 50. REDWOOD CITY, SAN MATEO COUNTY, CALIFORNIA, SATURDAY, MARCH 14, 1925. ESTABLISHED 1859

COMMITTEE APPOINTED TO STUDY DE LAS PULGAS EXTENSION

Dr. C. V. Thompson of Pescadero, who acted as chairman pro tem in the absence of Supervisor John MacBain announced a committee which has been appointed to investigate the ways and means of obtaining a right of way for connecting links for the Alameda de las Pulgas. The appointment of the committee followed the action taken by the Redwood City Realty Board in bringing the matter before the supervisors at the previous meeting.

The local realtors showed the supervisors how the road is at present made up of short lengths of roadway separated by portions of private land. The advantage of securing the rights of way across this land and making the Pulgas road a continuous highway from San Mateo to the county line on the south were pointed out, and the board announced its intention at that time of appointing a committee to look into the matter.

The personal of the committee as announced by Supervisor Thompson was as follows: C. H. Holt and H. Fuchsen of Redwood City, Fred Drake and Asa Hull of San Carlos and Walter Emmett of Belmont. This committee will have the assistance of the county engineer and will render an interesting report to the supervisors at a later meeting.

The matter of the forfeiture of all rights and privileges granted to Frank E. Webb in a franchise for the construction of a bridge across the bay was taken up by the supervisors and the franchise granted to Webb was made void. Webb is now advertising his intention of asking for a new franchise and made no motion to have his former franchise extended.

The appointment of a dairy inspector was considered by the board and Supervisor Hickey reported that he had seen Supervisor MacBain who was ill at home and had not been able to attend the meeting. Hickey stated that MacBain favored the appointment of George Fry of La Honda. Hickey made a motion that Fry be appointed, on this being presented, however, Thompson stated that he would not vote for any appointment until the whole of the board was present. Francis also refused to vote until the entire membership was present.

A letter was received from Lomita Park Development Association asking if the board had the right to order any person contemplating building to submit plans and have them approved by the board before building. The board instructed the clerk to inform the association that the supervisors had no such power. Another letter was also received from the Development Association in regard to the lighting service in Lomita Park. This letter was referred to the Pacific Gas and Electric Company.

A petition for additional lights in the Menlo Park Lighting district was received and referred to Supervisor MacBain for approval.

County Purchasing Agent Werder came before the board and said that he had been made an offer of $75 by W. W. Thompson, local road contractor for the Chevrolet touring car, formerly used by the assistant superintendent of schools, but not now in use. Werder was empowered by the board to accept this offer.

Reports were received from several county officers and the returns of the elections held in the Jefferson school district and the Diamond Utilities district were received by the board and filed.

CHURCH WILL HAVE SECOND CONCERT

The Congregational church will hold its second musical concert Thursday evening, March 19, under the direction of Prof. Walter Richards. Since giving the first concert several months ago the calls for another similar performance have been so plentiful that Prof. Richards has consented to direct another concert.

The concert will consist of many numbers of both vocal and instrumental music. The vocal numbers will be rendered by Miss Louise K. Brown, Mynard S. Jones, San Francisco's leading basso; Otis Carrington and Mrs. Forsythe of this city. Prof. Richards will play several numbers on the pipe organ and there will be several violin numbers as well as violin, clarinet solos. The performance will begin at 8 o'clock.

Admission will be free. An offering in aid of the organist and choir fund will be taken.

CHAMBER OF COMMERCE BANQUET WEDNESDAY

The annual meeting and election of officers of the Redwood City Chamber of Commerce will be held Wednesday evening at the Sequoia hotel. This meeting is expected to be even larger in point of attendance than the reorganization meeting which was held a few weeks ago, and which was attended by about a hundred of the business men of the town.

As the meeting Wednesday evening will be election night it is expected that all who are interested in the future of the local body will attend. The meeting will be preceded by a banquet at the hotel.

NEW CITY DIRECTORY RECEIVING SUPPORT

The residential compilation of the new 1925-26 Redwood City directory, which is being published, is well under way and the girl solicitors are being well received by the residents of which we are appreciative, as this facilitates the hardest work, which goes toward lessening the expense.

The directory and the circulation of the books will be reflected by the advertising support, which this worthwhile book is asking for. Any merchant or business man who have not been seen, please advise this office to insure correct insertion.

Indications are that the population of Redwood City will be greater than expected. Guess now free and win the prize. Ballot boxes are at Ryan's Drug Store and the City Market.

PESCADERO VOTES BONDS FOR NEW HIGH SCHOOL

Pescadero went over the top Tuesday, March 10th for the $40,000 bond election with 182 of the 252 ballots for and 70 against the bond issue.

The polls were open from 8 a. m. until 8 in the evening. Louise M. Williamson acted as inspector in place of Asa T. Weeks who was unable to serve William A. Moore and Mary G. McCormick as judges.

When the people of the town knew that Pescadero could now have a modern high school, church bells rang, siren's blew and people yelled with joy. A huge bon fire was built in the center of town. The celebration was even more complete when the Pescadero Union High School boys returned from Burlingame, where they played San Mateo High school to a tie score.

Robly Pinkham was badly hurt in the last half of the game when his head hit a goal post. He was out five minutes but was able to finish the game. Pescadero has not been defeated this year, the only team in the league.

WOODSIDE

Daniel C. Jackling is having the plans drawn for the new residence to be erected on his estate here which will cost in the neighborhood of $250,000. Mrs. Jackling has gone to Santa Barbara to consult authorities on the Spanish mission style of architecture which is to be utilized in the new building. A $50,000 swimming pool has just been completed. Since purchasing the property some two years ago, the Jacklings have used the old Talbot residence which was built many years ago and is not on the most sightly part of the estate. The new site selected commands a view of mountain alley and woodland, not to be excelled in this part of the state. His original purchase was of the Talbot property but he has acquired a number of adjoining properties since then so that his place now covers about three hundred acres.

Another of our residents who has been extensively improving his property this winter is August Schilling whose property lies against the hills at the foot of the old La Honda grade. He has had twenty-five men and many teams employed all winter upon the grounds of his place. One notable construction is a water "Temple" built on the mountain side above his reservoir. This has been constructed under the direction of the same architect who planned the famous "Water Temple" at Sunol and is constructed of redwood logs two and a half feet in diameter and twenty feet long. It commands a view of the Santa Clara and San Mateo Valleys from San Jose to South San Francisco.

Roy Bishop has had many additions to his home and several new cabins have been built at the Family Farm.

The residents of Portola have been moved by a spirit of community pride in their school equipment. It is planned to move the two buildings together and give them a new front to face the world with, and to grade the school grounds and add modern apparatus and equipment.

Mrs. John D. Gish gave a luncheon and Mah Jongg party on Tuesday. Guests were Mrs. Calvin Grandi, Mrs. Lawrence Heiner, Mrs. Henry MacArthur, Mrs. Marvin MacArthur, Mrs. A. H. Audiffred, Mrs Fred H. Mighall and Mrs. J. L. Ross, Jr. The prizes were won by Mrs. Audiffred and Mrs. Henry MacArthur.

Mrs. Moore of Alameda is visiting her daughter, Mrs. Albert Meyer.

Mrs. Henry Martens of San Francisco spent Wednesday with her daughter, Mrs. Jos. L. Ross, Jr.

James V. Neuman, Jr., is suffering from a damaged eye as the result of catching behind the bat without a mask. Jimmie says that the next time he goes into a game he will wear shin guards, body protector, mask and any other protective aid he can find or invent.

A baseball game is scheduled for next Thursday afternoon between Portola and Woodside schools. These schools are old rivals on the diamond and the game is eagerly awaited in order to get some idea of the comparative strength of these teams particularly as both are entered in the contests to be held on May 15 at Redwood City.

THE WELCOME SIGN

"Nobody asked you sir," said the coy maiden." And in matters of buying, as well as in affairs of the heart, most people like to be "asked." Often, indeed, they insist on a proper invitation.

Rev. R. J. Currie of the Firs Congregational church and his brother, Rev. J. B. Currie, pastor of the Congregational church at Pacific Grove, left for Toronto, Canada, Wednesday. They were called to their old home by the serious illness of their mother. Mrs. Currie, senior, is past eighty years, and because of her advanced age her recovery is not expected. Rev. Rolland B. Dodge, formerly pastor of the local church, will fill the pulpit tomorow morning.

It is reported that the San Francisco Investment Company has contracted with Harry Groom, the local contractor for the erection of eight new houses in Redwood Highlands.

Robert Squires completed the house of Dudley Moulton on Elwood street, Redwood Highlands, Thursday and Mr. Moulton is now preparing to move into his new home.

There will be a card party on March 17 given by the Mt. Carmel Ladies Aid Society and the Carmel Men's Club. The Young Ladies Sodality will give a dance on the same evening. Both affairs will take place in the Forester's hall.

Mrs. Elizabeth M. Kneese, county clerk of San Mateo county, was again honored by being elected to the position of secretary of the California County Clerk's Association. Mrs. Kneese has held this position almost as long as she has been county clerk of this county.

Mrs. Frank Allen of this city is enjoying a visit from her mother, Mrs. Ella Adams of Lincoln, Neb.

John McCrea and little daughter visited Mr. and Mrs. Percy Long and Mr. and Mrs. George E. Stafford this week. The former returned to their home in Madera Wednesday, the latter will spend a few days visiting her aunts, Mrs. Long and Mrs. Stafford.

Rev. Albert E. Clay, new pastor of St. Peter's Episcopal church here, conducted services in Burlingame last Sunday in St. Paul's church.

Mr. and Mrs. S. Alvarado of San Francisco visited with the latter's brother, O. M. Carrington and family here Sunday.

Miss Ruth Doxsee, a student at the University of California, spent the week end with her family in this city.

Miss Marie McAuliffe of this city formerly principal of the Martin school in San Francisco, has accepted a position in the Roosevelt school in Burlingame.

Earl Ekerenkotter, who has been seriously ill at his home, in reported much improved this week. During his illness Bill Stevens of Lodi is taking his place at the parlors of the James Crowe Co.

W. L. Hawkins of Burlingame made his first official visit to Redwood Lodge, F. & A. M. Thursday evening in the capacity of district inspector. Hakwins succeeded C. G. Lambert of this city, who recently resigned as inspector.

Rev. C. H. Stevens of Lodi, formerly pastor of the local Congregational church, was a visitor here this week.

EDWARD H. HURLBUT PURCHASES PAPER

Edward H. Hurlbut, formerly of this city and a graduate of the local grammar school and the Sequoia High, has purchased the San Francisco Tribune, a weekly paper published in the metropolis.

After graduating from Stanford, Mr. Hurlbut reported on the Chronicle. While there he wrote" A Rush Order for Lamps' 'a story which was published in an Eastern Magazine and which brought him into prominence as a short story writer. He then became a feature writer for the city papers and wrote for the magazines, his stories being later printed in book form.

For several years Mr. Hurlbut has been in the publicity business and managed a number of big campaigns. Just before taking over the Tribune he represented a San Francisco evening paper at Sacramento, and his knowledge of legislative affairs enabled him to do worth while work at the State capitol.

The motto of the Tribune is "Truth Without Malice; Facts Without Fear." It is an independent publication of politics, news and comment.

We bespeak for Mr. Hurbut a successful career as a publisher, as he knows the newspaper game and is a writer of exceptional ability.

AUTO CAMP TIME LIMIT PASSED BY TRUSTEES

An ordinance limiting the time which motorists may stay at any auto camp within the limits of Redwood City to seven days was finally passed by the board of trustees Monday night after being considered for several weeks.

The final vote on the measure was 3 to 2; Trustee McNulty and Mayor Beeger voting no on the motion. It was the contention of the two latter trustees that the time limit should be extended to 15 days. Building Inspector Drathman made an appeal for the shorter time limit and C. P. Kern, owner of a camp on the Highway, made an argument before the board for a longer period.

PLANNING COMMISSION CONSIDERS NEW TRACT

New subdivisions occupied a greater portion of the attention of the Redwood City Planning Commission last Monday evening at their regular meeting. The first to be considered was a resubdivision of the Brittain tract, just north of this city. The plat of this tract was referred to the trustees of Redwood City by the board of supervisors for a recommendation.

A study of the plan by the Planning Commission showed that the frontage on the highway was divided into 25-foot lots and that the remainedr of the tract was divided into 50-foot lots. The map presented by Koff Realty Company of San Francisco showed no sewer facilities for the lots.

The commission voted to recommend that the map be not accepted, and went on record as opposed to subdiisions of such small lots in this vicinity.

A map of the Salari tract was presented to the board by Leonard & Holt and their map met the approval of the commission and its acceptance was recommended.

A resubdivision of a portion of the Wooster Whitton and Montgomery sub-division was also approved.

F. K. TOWNE TELLS REASONS FOR SUPPORTING C. OF C.

CHAMBER OF COMMERCE is an organization needed in every city or town that is progressive and growing. In Redwood City many people have located in recent months, the population having nearly doubled since the last census, so we can certainly be classed as a growing community.

This brings forth the importance of maintaining such an organization and it might be termed as a clearinghouse for ideas and suggestions as made by its members and is the machinery whereby these thoughts are put into action through the proper channels. There are a great many things than are done and more to be done in the way of development of our city and community for our betterment and also for the business interests represented and it is therefore important that we should work together and support this organization.

An average of one inquiry per day is received by mail, asking for information regarding Redwood City and in addition to that there are numerous personal calls made at the office by strangers looking for information, and we should be in a position to furnish this data, which cannot be handled in any better way than by a new and up-to-date booklet. We had several thousand booklets printed but they have all been sent out, and a new form should be printed.

The results from this form of advertising cannot be measured by dollars or cents, as it is impossible to tell just what results come from it, but it certainly must be admitted that advertising pays whether it be a merchant that has goods to sell or a city that has its industrial or residential qualifications to offer to those seeking information.

A Chamber of Commerce cannot properly function unless it has the support of our citizens both morally and financially and if we expect to develop and keep our city up to a high civic standard then we should join forces and support it in every way possible.

AMALMAGATION PLANS ADOPTED

The report of the committee which has been making a comprehensive study of the problems of amalgamation of this county with San Francisco was adopted last Wednesday eening at a meeting of the San Francisco-San Mateo Counties Consolidation Convention held here. The report was the result of the study of W. B. Lawrence of Millbrae, M. A. Harris of Atherton; M. A. Hope of San Mateo; M. A. Gunst of San Francisco; Gordon Hess of Burlingame; Fred Cunningham of South San Francisco; and R. R. Waterbury of Ravenswood.

The adoption of the report of these gentlemen was made upon a motion of Maurice Woodhams of LaHonda. The fairness of the report was commended by Attorney Gilbert D. Ferrell of San Mateo.

Albert Mansfield of Redwood City asked the members of the Ways and Means committee to give him information as to whether or not it was possible to have the study made by the political science departments of Stanford and California universities. R. R. Waterbury of Ravenswood, a member of the Ways and Means committee, responded for that committee that the matter was discussed with Mayor E. A. Cottrell of Palo Alto, professor of political science at Stanford and that his recommendation was that the Bureau of Governmental Research of San Francisco be retained to make the survey and compilation of data. Waterbury stated that Professor Cottrell was a member of the board of trustees of the Governmental Research Bureau.

Upon a motion of Frank Towne, seconded by George Helmore of San Bruno, J. J. McGrath of San Mateo was authorized to appoint a finance committee to carry on the future work of the research committee.

This was amended by Delegate Woodhams to the effect that the finance committee become a permanent finance committee. It was later amended upon motion by Albert Mansfield to the effect that Chairman McGrath be authorized to appoint members to the permanent finance committee who were not actual delegates to the Consolidation Study Convention.

Upon motion of M. A. Harris of Atherton, seconded by Albert Mansfield, the chairman was authorized to appoint a committee of five to act as a committee on committees and appointment of the various committees outlined in the report adopted by the convention.

H. Clay Miller, a representative of the Chamber of Commerce of San Francisco, stated that that organization would be responsible for $7000 of the necessary $15,000. Gilbert D. Ferrell in an address oposed the employment of the Bureau of Governmental Research until this whole amount had been provided.

MORE AND BETTER SCHOOLS

LAST week at an election held in Pescadero, school bonds were voted to the extent of $40,000 for the erection of a high school for that district. Pescadero has badly needed a better structure to house its educational endeavors since the starting of a high school there several years ago. The high school had been carried on as best it could be in a large old building which was never intended for school purposes. Now with a new building to house the pupils and the conveniences of a modern school, Pescadero high school should make even a greater mark in the world than it has in the past.

On the 27th of this month the people of this district will be given the opportunity to vote on a similar issue, but in this case to build new grammar schools. A bond issue will at that time be put before the people for $90,000. In order that the voters of Redwood City may vote intelligently upon such a proposition a few figures are given herewith.

In the four school buildings of this city eleven hundred and seventy-nine children are being educated. This makes a total of 45 children to a class room, the classes varying from 35 to 57 children each. New families are moving into town every week and the school attendance is constantly growing.

The proposed bond issue if carried, and there is litle doubt of its carrying, will be used to purchase lots in the Jefferson avenue district and in the North Fair Oaks district for the erection of schools on these lots and for the addition of rooms to the Washington and Lincoln schools which are at present over crowded. A new heating plant will also be installed in the Central school building.

The sites for new schools were carefully selected by a committee of 12 citizens, six of whom were appointed by the board of trustees of the school district and six by the Redwood City Kiwanis Club In considering the location for new schools the committee recommended sites where the growth of population has made additional school facilities seem most necessary.

A community with good schools can well speak with pride of the fact. Redwood City has good schools now but needs more of them. Vote yes on the school bond election March 27th.

NO FREEDOM LIKE UNITED STATES

AN Anti-Bolshevist meeting was held in New York recently to hear Morris Gordin tell "Why I lost my faith in Communistic Russia."

Newspaper reports stated that "One-third of the 600 persons at the meeting were women. The audience applauded every point Gordin made against present conditions in Russia, and there seemed to be unanimous approval of his declaration that Russia was slowly but surely progressing toward a 'republic of the United States of Russia.'

'The speaker, formerly a student at University of Chicago, was a draft-soldier in the American army during the World War. Until 1921, when he went to Russia, he was one of the leaders of the New York Communist Party. He returned here last September. Describing his conclusions regarding his nearly three years of experience in Russia, Gordin said:

"'I went there expecting to find a heaven of the people and for the workers; instead I found a hell. The people have no say in their government, and little if any freedom in commercial or social activities. It is all a sickening dead level of political and industrial slavery, where the people are directed by a little group of dictators.

"'The people may change this situation at any time, but when I left they seemed everywhere, so far as I noted, to be passively resentful, too hopeless to assert themselves. All around there was going on the economic, industrial and moral ruin of Russia.

"'In the meantime the leaders of this terrible situation are holding on to the shreds of Communism in their visionary scheme of getting, through propaganda among other nationals, support for Communistic domination.

"'These selfish, misguided men, now in control, have trampled Russia, politically into a big prison, a red dungeon. Before the unfortunate Russian people, most of whom would like to end their sufferings under this colosal failure, can expect any concrete help from other countries they must show their resentment of this false doctrine by attacking it themselves.'"

CLEAN STREETS ATTRACTIVE

THE appearance of the streets of a town gives an unmistakable air to the whole town. Where the streets are well kept and clean, the store fronts appear cleaner and the entire business section has a better and more inviting air If cleanliness is next to godliness in an individual, it is at least good business in a city. In this respect Redwood City is fair yet not quite what it might be. One man is maintained by the town to go around and sweep up the trash o nthe streets. But it is impossible for one man with a hand broom to keep the streets really clean.

In most cities a good washing down with a sprinkling cart, followed by a sweeping machine which gathers up the dirt, is a regular occurance for the streets of the business district. We are not acquainted with the cost of this equipment enough to say what the expense of such a practice would be. But it is at least worth consideration.

SCHOOL DRAMATIC CLUB TO STAGE SHORT PLAY

The Menlo School Dramatic Club will present three one-act plays in the assembly hall on Friday evening, March 13, at 8 o'clock for the entertainment of the parents and friends and student body of the school.

The first play, "Dark Moments," by Daniel Harper, is a blackface skit in which Orland de Sola of San Salador, C. A. as Sam and Tom Cooper of Reno, Nevada, as Rumbo, succeed in convulsing the audience with their new and unique jokes. The scene is laid in front of and more often in a trench in France.

The second play, "Gassed," by Bessie W. Springer, is a delightful comedy of college romance featuring Ben Sparks of Reno, Nevada, as "Gas" the over-worked but good natured freshman; Herbert Dow of Piedmont, California, a jealous suitor for the hand of Helen Mathews; Bud Hawkins of San Francisco, the rival suitor; Douglas Lewis of Atherton and Fred Graff of Pasadena, the self-styled experienced romanticists who innocently urge the jealous usitors into more complications. The scene is laid in a college room.

The third play, "The Rising of the Moon," by Lady Gregory, is a psychological play of deep emotional appeal, starring Mortinemr Henderson of Del Monte as the "Ragged Man" who is the mysterious person about whom the Sergeant of the police, Richard Bovard of Berkeley, and his associates, Policeman B and Policeman X, taken respectively by Jack Barbour of Washington, D. C. and Edward Webb of San Jose, become officially concerned. The scene is laid on a quay in Ireland.

The past dramatic productions have been "The Dictator" by Richard Harding Davis (1923); "A Night at an Inn' by Lord Dunsany; and "Grumpey" by T. Wigney Percival and Horace Hodges (1924).

East Palo Alto Folks and Events

The East Palo Alto Progressive Club met Tuesday evening and an interesting business session was followed by a program and social time. The committee in charge of house numbering reported that their plans were completed and the houses will be numbered as speedily as possible. A committee on the branch road to the bridge was continued and added to and instructed to confer with the road committee of the Palo Alto chamber of commerce and if the road should be constructed to ask their co-operation in keeping the property adjacent and near the road way restricted for residential purposes. The club voted to have a fried chicken booth at the May festival in Palo Alto. Mrs. Earl B. Clark and Mrs. Carol Da Mant each sang a group of songs and several of the business men of Palo Alto were present and addressed the club. Cake and coffee were served during the social hour.

Burglars ransacked the Frank C. Nickerson home and also entered the O. D. Brainard home Tuesday evening, while the families were attending the Progressive Club meeting. At the former home the house was left in confusion and a watch, ring, razor and revolver with a small amount of money were taken and at the Brainard home $5 in money and a razor were stolen. The thieves entered by using a key in the door.

A little baby girl came to gladden the home of Mr. and Mrs. Frank L. Gates on Walnut street Wednesday afternoon. The baby was born at the Palo Alto hospital.

Two cases of scarlet fever are reported in the community. One on Donahoe street and the other on Runnymede street.

ALAMEDA BUSY ON ....
DUMBARTON ROAD

According to word received here this week, work in Alameda county on the construction of roads leading to the Dumbarton bridge is being rushed. A survey has been ordered for a road to connect with the eastern terminal of the bridge.

The survey yill be made under the direction of Ralph V. Richmond, member of the Alameda county board of supervisors, and will be made from Newark directly to the bridge head. The Alameda county supervisors also plan to have a paved highway in Niles canyon, between Sunol and Pleasanton, before the end of 1925, and a force of engineers is now at work in that section.

Uneven Scales of Justice

Man believes himself always greater than he is, and is esteemed less than he is worth.—Goethe.

FRAUD CHARGED IN THE BOWIE ESTATE

Charged with fraud in his dealings with the Bowie Estate Company, John A. Hoey, city clerk of Burlingame, was made the defendant in a suit filed by that company to recover title to property in San Mateo valued at $20,000.

Beside the Bowie Estate Company, the plaintiffs in the action include Joseph H. Poett, and Stephen D. Hayne, members of the company Bernard Lynch is also named defendant in the suit.

It is the contention of the plaintiffs that Hoey fraudulenty obtained the deed to the property, and then sold it again at an enormous profit.

The property includes two lots in San Mateo in what is known as the Central Addition. Hoey, who has been the agent for the Bowie Estate Company, is charged with having sold it to Bernard Lynch on February 26, 1925, for the sum of $3050.

Since that time, it is stated, it has been found that offers of from $6000 to $10,000 had been made to Hoey for the property before the deed was transferred and that he refused them, saying the market value was $17,500.

It is charged that Bernard Lynch acted as "dummy" in order that Hoey might secure the deed to the property. Following this, the complaint states, Hoey and Lynch agreed in writing to sell the property for $17,500.

DIVORCE GRANTED

An interlocutory decree of divorce was granted Frank Trignerio Superior Court Saturday from Mabel Triguerio, whom he married September 21, 1921. Community property in South San Francisco will be divided and the care of the two minor children is to be in the hands of Mrs. Mary Costa, their grandmother, to whom the husband is to pay $35 a month. Extreme cruelty was charged in a complaint prepared by R. A. Rogers, attorney for the plaintiff.

LUTHER BURBANK'S BIRTHDAY

By Miss Maude Flint, Palo Alto, Calif.

He came to earth just as nature began to rouse from her winter sleep—
In March when plants were springing to life from their beds in the soil so deep;
When resurrection was in the land and gardens began to unfold
The joyous news to all the world of wondrous secrets untold.

He came and brought new hope to life in the heart of the wayside flower;
For by working sweet magic with his love he gave her a royal dower.
From a Cinderella all covered with dust and left by the wayside to die,
She's been transformed to a fairy queen to charm her lover's eye.

And so he works with all plant life oft creating rare things for man,
And giving to him more abundant crops and better wherever he can.
He removes a sting or gives a sweet smell where thorns or odors annoy,
For in every way his fondest desire is to give the greatest joy.

So to-day, the seventh of March, we rejoice, because of this man we revere.
California and all the world unites with greetings and best cheer.
And planting the beautiful things he loves throughout our Golden State
Is the very finest way in the world that we can celebrate!

$21,500 ASKED IN SUIT

That turning out the headlights of a car going at the rate of 35 miles per hour on a dark road at night is a practice not to be commended, would appear from a suit filed this week by Viola Braunsweiger against Edmund C. Luster, a student at the Stanford University, and his stepfather, C. A. Ebersole.

Miss Braunsweiger, who according to her complaint was riding with Luster on Atherton avenue on the night of July 19, 1924. It is is charged that Luster turned out the lights while the car was going about 35 miles per hour and ran into a telephone pole. Miss Branusweiger had nine teeth driven deep into her jaw and suffered sever cuts on the head. In the complaint, the plaintiff asks $20,000 damages, $1,000 dentist bill and $500 for atificial teeth. Attorneys Franklin Swart of this city and Edgerton Lekin of Palo Alto represent the plaintiff.

Big Second Period Is Now On

$100 CAN BE WON BY FRIDAY NIGHT

TIMES-GAZETTE SUBSCRIPTION

Contestant's Special ANNOUNCEMENT $100 in Cash

will be paid to the contestant making the best record for subscriptions turned in during the second and third periods. Points to be given according to the following schedule:

Schedule for Second Period

Each 1-year subscription will count	2 points
Each 2-year subscription will count	4 points
Each 3-year subscription will count	6 points
Each 4-year subscription will count	8 points
Each 5-year subscription will count	10 points
Each 6-year subscription wil count	12 points

If subscriptions are new, double points will be allowed.

Schedule for Third Period

Each 1-year subscription will count	1 point
Each 2-year subscription will count	2 points
Each 3-year subscription will count	3 points
Each 4-year subscription will count	4 points
Each 5-year subscription will count	5 points
Each 6-year subscription will count	6 points

If subscriptions are new, double points will be allowed.

This offer closes Friday Night, March 27 at 10 o'clock sharp. Winning this special prize does not interfere in any way with winning a capital prize.

To Candidates

During the second period 250,000 credits (or 380,000 if new) will be issued on each 6-year subscription. Candidates and those who contemplate becoming candidates have just a few more days to take advantage of this liberal credit offer, which closes Friday night, March 20th. Campaign closes in just eleven days after the close of the second period—NOW'S THE TIME TO HIT THE BALL!

Campaign Notes

The campaign manager truly gets a "kick" out of the way some "dope" out this campaign. Really, it's just like a regular election or prize fight?—you known how it goes. No one is ready to admit defeat and each contender is leaving no stone unturned to bring home to his or her garage the biggest and most desirable of all the gifts.

Friends of candidates are displaying greater interest than ever before. The campaign manager knows it because from here and there and everywhere are coming in the free credit coupons. Some envelopes have one coupon, some have a dozn. And so it goes. It's a good sign. Friends do play a mighty important part in a campaign of this kind.

There are two or three candidates in this campaign who seemingly imagine they are too good or too big or too something to really work. Yet these candidates permit their names to run and occasionally do something. Now, if there are any of you who imagine you are too bloomin' blue blooded to make $1385 right soon, or too big to make even $1075 before Friday night, just look at yourself again in the glass. There are others who rank just as high, perhaps, in the campaign as you do. There are others who are just as great a factor in the life of San Mateo county as you are. The fact is, it would be hard to find a more representative list of candidates if they were hand-picked. This is a campaign for real prizes, participated in by real folks. Your candidacy sheds luster to the campaign, of course, but you are one of the many at best.

ATTENTON READERS

As close as the campaign stands your subscription may be the very one that will bring a small fortune to your choice on the list. Don't wait to be asked, for, in their frantic efforts of the last few days, the candidate you want to help may not be able to get to you.

Here is an opportunity to do a real kindness to a friend—a kindness that may mean up to, say a $1385 motor car in the end—without costing you one cent more than you would pay for the paper anyway. Six-year subscriptions help the most. In fact, a very few subscriptions can separate the ones farthest down in the list from the leaders. One or two such credits may prove to be the deciding votes as to who wins the big motor cars.

MOST IMPORTANT TIME OF ALL IS HERE
Times-Gazette Soon to Distribute Prizes

BUSIEST DAYS OF CAMPAIGN NOW AT HAND—SUCCESS SIMPLY MEANS GOING AFTER RESULTS IN DEAD EARNEST—COMING FEW DAYS MOST IMPORTANT OF BIG CAMPAIGN—IF YOU HAVEN'T RENEWED YOUR SUBSCRIPTION OR IF YOU ARE NOT TAKING THE PAPER, NOW IS THE TIME TO DO YOUR FAVORITE A REAL KINDNESS WHICH MAY MEAN HUNDREDS OF DOLLARS TO THEM.

Now that the loafing season is over, the more ambitious candidates are preparing to get after the business of securing credits in dead earnest and, frankly, that is what they have to do if they have any desire to land the larger awards. The most importnt part of the entire campaign is now at hand, and that is the next six dys before 10 o'clock Friday night.

SIX MORE DAYS—These words have a mighty big meaning when we consider the importance of the result of the Times-Gazette big circulation and business building campaign which is now rapidly nearing its conclusion.

The last of the big credits will undoubtedly be the deciding factor in determining the winners of the splendid array of prizes which have dazzled the eyes of the entire community because of their exceptional value.

Who Is Your Favorite?

For several weeks the candidates have been engaged in accumulating credits and during this time the Times-Gazette's grand prize competition has gained fame that is widespread. This is the most liberal prize-winning event ever inaugurated in this section of the state.

The efforts and diligence of the candidates these last few days should be crowned with an avalanche of thousands and thousands of credits. This is the time for candidates to hurl themselves into the fray.

The Times-Gazette is justly proud of the list of candidates that are competing with might and main in this exciting "battle of credits" for the biggest stakes ever offered in San Mateo county. It seems that each community in the county and city has chosen its brightest and most energetic leader for its representative in the competition. And these favorites are well fulfilling the expectations of their hundreds of friends and supporters in their respective communities.

The race, as the finish of the big "second-period" approaches, is truly a "neck-and-neck" affair. No one candidate has any material advantage over the remainder of the candidates at present, and the amount of subscriptions that each is liable to turn in before Friday night will tell the tale.

On the Home Stretch

Running a race on the home stretch of which every participant may well be proud, the energetic candidates are rounding the last turn and the eyes of all San Mateo county are intensely watching the finish of this big event.

This week promises to be the biggest of the whole campaign. There is no doubt but what a greater number of credits will be cast between now and 10 o'clock Friday night than at any other time during the campaign. The participants are certainly going strong—getting subscriptions right and left, each preparing to "cinch" the leadership for the fine motor cars before Friday night.

It's a fight to the finish now. The laggard will fall by the wayside—the courageous, energetic candidates will reap big rewards. What has been done before by the respective candidates makes little difference. It's the results secured between now and 10 o'clock Friday nigt that will tell the tale.

If the candidates are to accomplish what they originally set out to do, they will have to get busy these last few days of the big "second period" vote schedule. And 10 o'clock Friday night ends the final big credit schedule of the Times-Gazette.

How Extensions of First Period Subscriptions Count

1st Period	2nd Period	Credits
1 year 12,000	Collect 1 more year	24,000
1 year 12,000	Collect 2 more years	78,000
1 year 12,000	Collect 3 more years	168,000
1 year 12,000	Collect 5 more years	348,000

1st Period	2nd Period	Credits
2 years 36,000	Collect 1 more year	54,000
2 years 36,000	Collect 2 more years	144,000
2 years 36,000	Collect 4 more years	324,000

1st Period	2nd Period	Credits
3 years 90,000	Collect 1 more year	90,000
3 years 90,000	Collect 3 more years	270,000

These extensions allow every candidate the privilege of going over territory that has formerly been worked and securing the second subscriptions that count larger credits. Friends who have already subscribed for one, two or three years will no doubt be willing to increase their subscriptions now in order to insure you the prize of your choice. Take advantage of this leberal credit schedule ad advance your standing this period. Remember, the 100,000 extra credits for each $15.00 of subscriptions is also in effect during the entire campaign.

100,000 Extra Credits

Every $15.00 club of subscriptions, either NEW or RENEWALS, will entitle you to 100,000 EXTRA credits in addition to the usual credits at the time each subscription (see regular schedule) is turned in.

This big 100,000 offer coupled with the present liberal schedule, is the biggest and best credit offer of the entire campaign. Subscriptions are worth more credits these next few weks than they ever will be again.

A $15.00 club may include subscriptions of any length of time up to six years.

A candidate has the privilege of turning in more than one club. Two clubs, for instance, would net you 200,000 credits. As soon as you complete your first club, you start on your second.

Subscriptions may be secured anywhere. Candidates are NOT restricted to their own district. You can obtain subscriptions from friends and acquaintances in any district, any town, city or state.

The $15.00 does not have to be turned in all at one time. You can turn in the subscriptions as you secure them. Accurate record is kept at the Campaign Department. The total 100,000 extra credit ballots are issued at the close of the offer for the EXTRA votes due.

This 100,000 offer is the biggest and best offer that will be made.

If you have entered the campaign, here is your chance to make a fine beginning, and you have just started, let this build your way to success. Let this vote offer put you in the lead.

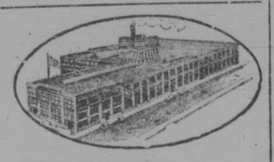
"But I don't want to open tomato cans," came the objecting voice of the inquirer. "I want to open fruit cans." —Good Hardware.



Cleaning Without Odor by the

F. Thomas *Process*

Our many years of experience has taught us that it is impossible to do perfect cleaning with cheap, inferior methods. That is why we found it necessary to invest nearly $500,000 in the equipment of a plant and the establishment of an expert organization to do the quality of work demanded by our customers.

With the "F. Thomas Process" we not only remove every particle of dust but we return your garments without that usual disagreeable smell of gasoline. Every drop of gasoline we use in cleaning is redistilled and very highly refined.

Raw gasoline—the kind that you buy for your automobile—is full of heavy oils and unfit for cleaning fabrics. It is little better than ordinary distillate and leaves a sickening "gasoline" smell in your clothes

REDWOOD MAN HAS NARROW ESCAPE

To be run into by one's own car is an experience not frequently met with even in these days of many accidents, but it was the experience of H. De Young of Eaton avenue Thursday, and one from which he very narrowly escaped without serious injury. De Young had stopped in front of Foley's garage for gasoline and as he was ready to start, he went in front of the car to crank it. The car was in gear and shot foreward with the first turn of the crank, catching the owner on the bumper.

DeYoung was caried several yards on the bumper of the riderless car which finally ended its mad career by crashing into a car which was parked further down the block. Fortunately for the man on the bumper the parked car was set diagonally so that the outside of the bumper struck the rear of the car and stopped his own machine. He escaped with a few bad bruises and a strained back.

The parked car, belonging to a San Carlos party, was not badly damaged. De Young's car was slightly the worse of its experience.

Life and Books

I always believed in life rather than books. I suppose every day of earth, with its hundred thousand deaths and something more of births—with its loves and its hates, its triumphs and defeats, its pangs and blisses, has more of humanity in it than all the books that were ever written put together. I believe the flowers growing at the moment send up more fragrance to heaven than was ever exhaled from all the essences ever distilled.—Oliver Wendell Holmes.

Lever's Wondrous Power

Archimedes said: "Give me a lever long enough, and a prop strong enough, and I can single-handed move the world." He was, of course, speaking figuratively. What he meant was to emphasize the enormous lifting power which the principle of the lever makes possible. This principle is one of the most important in mechanics, and it is utilized constantly in all sorts of ways.

Oil Rivers was the name once applied to the territory on the west coast of Africa now known as the Niger coast. It contains six main rivers, which derived their old general name from palm oil, the chief product of the adjacent districts. The country was visited first by missionaries early in the Nineteenth century, and later by traders who established plantations and factories in the interior.

Let Reason Guide

Nothing which reason condemns can be suitable to the dignity of the human mind. To be driven to external motives from the path which our own heart approves, to give way to anything but conviction, to suffer the opinion of others to rule our choice or overpower our resolves, is to submit tamely to the lowest and most ignominous slavery and to resign the right of directing our own lives.—Johnson.

Ancient English Law

Deodand is a Latin term meaning "to be given to God." It was found in English law which had come down from the Middle Ages, and according to its provision anything which caused the death of a human being became forfeit to the sovereign or lord of the manor, and was sold for the benefit of the poor. The forfeiture was abolished by an act passed by the British parliament in 1846.

IN-LAWS GET HUBBY INTO "HOT WATER"

Harold Lloyd's Newest L Five Reel Domestic Comedy

Hubby! He was just an every day young fellow, who loved his wife and his home, and everything. But one day his mother-in-law, and his two brothers-in-law, walked in on him, and then trouble began.

Briefly, this is the theme of Harold Lloyd's newest fun creator, "Hot Water," which he finished after five months of intensive work at the Hollywood studios, and which will represent his second offering as an independent producer. It is the attraction showing at the Sequoia Theatre, on Broadway, next Wednesday and Thursday, Mar. 18 and 19, with a matinee Thursday afternoon at 3:15.

It is a theme which offers all kinds of possibilities for mirth, because it is human, and Lloyd, ably assisted by one the best casts ever seen in his support, has taken advantage of every possibility for laughs. "Hot Water" is a wholesome comedy of the type for which Lloyd has become famed, and the picture is certain to be ranked high with the best of the Fall productions. Sam Taylor and Fred Newmeyer directed "Hot Water" from a story by Taylor, Tim Whelan, John Grey and Thomas J. Gray.

COLMAN SCORES NEW PICTURE TRIUMPH

Young English Actor Co-Featured With Doris Kenyon and Aileen Pringle

Ronald Colman, the brillant young English actor who has achieved such meteoric success in American motion pictures recently, was among the first of the British troops to go to the front during the World War.

He was wounded during the first battle of Ypres, in 1914, a slug of shrapnel shattering his ankle. For a time it appeared that Colman would lise his foot, and his career on the London stage, which had already gained spectacular headway, would be at an end. Expert surgery, however, saved the member and, after long months in hospitals, subsequently all vestiges of the wound left him. His reappearance on the stage was a triumph, many of his former "buddies" occupying boxes to greet him.

Colman came to this country only a few years ago, but his first American picture appearance established him on the screen. Since then he has appeared in many First National pictures, co-starring with some of the greatest of American screen actresses, and recently Samuel Goldwyn signed him up for a five-year contract in independent productions.

His most recent appearance is in the Goldwyn-Fitzmaurice production, "A Thief in Paradise," in which he is co-featured with Doris Kenyon and Aileen Pringle. This picture, an adaptation from Leon ard Merrick's novel, "The Worldlings," will be first National's offering at the Sequoia Theatre next Monday and Tuesday, March 16 and 17. It is a thrilling story of love and adventure ranging in action from the South Seas to the exclusive social confines of San Francisco and Del Monte.

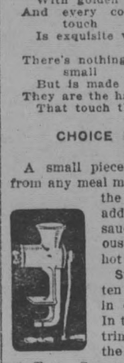
God wove a web of loveliness,
Of clouds and stars and birds,
But made not anything at all
So beautiful as words.

They shine around our simple earth
With golden shadow-wings,
And every common thing they touch
Is exquisite with wings.

There's nothing poor and nothing small
But is made fair with them;
They are the hands of living faith
That touch the garment's hem.

CHOICE HAM DISHES

A small piece of boiled ham left from any meal may be ground through the meat grinder and added to a rich white sauce to serve on various dishes, or simply on hot buttered toast.



Stuffed Ham.—Soak a ten or twelve-pound ham in cold water overnight. In the morning wash and trim carefully, remove the bones and fill with stuffing. Sew up the opening, where the bone was removed, and wrap firmly with a strong strip of cotton. Cook slowly for three or four hours and cool before removing the bandage. When cold, remove the bandage and rind and brown the fat; sprinkle with sugar and fine crumbs and bake another hour in a slow oven.

Jellied Ham.—Take one pound of boiled ham cut into thin slices, a four-pound shank of veal, one-fourth cupful each of diced celery and minced onion, one bayleaf, one-eighth teaspoonful of thyme, eight peppercorns and two teaspoonfuls of salt. Wash the shank of veal, place in a kettle with the vegetables and seasonings and pour over two quarts of boiling water. Simmer slowly until the meat falls from the bones. Remove the meat and cool under weight. Strain the stock. Add one-half teaspoonful of salt and a dash of cayenne. Into a cold, wet pan pour a little of the stock which has been clarified by adding two egg shells crushed; bring to the boiling point and boil for ten minutes without stirring. Stand ten minutes, then strain through a double cheesecloth.

After the first layer of the stock has stiffened arrange a layer of the sliced ham and veal, add more stock and repeat until all the ham is used. Let stand five hours before removing from the pan.

GOOD THINGS

Here is a soup that is good enough for anybody and liked by all:

Queen Victoria's Favorite Soup.—Chop one cupful of baked chicken, add one pint of chicken broth, one cupful of sweet cream, salt and pepper to taste, and lastly add the mashed and riced yolks of three hard-cooked eggs.

Lettuce and Pepper Salad.—Prepare heads of lettuce cut into quarters, if large, and sprinkle over the lettuce chopped onion, celery and shredded green peppers. Season well and serve with a French dressing.

Salmon Salad.—Chop five good-sized pickles and the whites of five hard-cooked eggs. Rub the yolks of the eggs until smooth with a tablespoonful of soft butter, add two tablespoonfuls of diluted vinegar, one teaspoonful of salt, a speck of cayenne and one-half cupful of cream. Arrange the salmon on lettuce, sprinkle with the chopped pickle and pour over the dressing.

Spanish Steak. — Sprinkle a thick steak with salt and pepper, one tablespoonful of chopped onion and three-quarters of a cupful of flour. Cook in a hot iron kettle in butter until well browned, then add boiling water to cover and simmer slowly for two hours. Serve with the gravy from the kettle.

Pink Toast.—Put three tablespoonfuls of butter into a saucepan, and when bubbling hot add three tablespoonfuls of flour, with one-half teaspoonful of salt; stir in gradually one and one-half cupfuls of stewed strained tomatoes in which one-quarter of a teaspoonful of soda has been dissolved. Add one-half cupful of scalded milk and pour over six slices of well-buttered toast and serve at once.

Fried Oysters Delaware Bay Style.—Take one pint of crab meat, chop fine and mix with bread crumbs of equal quantity, season well with salt and pepper and dip the oysters into this after dipping them into egg. Fry in deep fat.

LEGISLATIVE LETTER

By C. W. TURNER

Sacramento.—Any hope that the present session of the legislature would be a short one, has gone glimmering. The development of a gigantic scandal involving members of both senate and assembly has taken the center of the stage, and sidetracked other business to a very large extent.

The original trouble arose over a bill introduced by Assemblyman Smith of Alameda, which proposed to impose so heavy a tax on "herb" doctors (who are exclusively Chinese) as to practically force them out of business.

Of these, Dr. Fong, objected to the price which he claims, was demanded of him for the purpose of killing the bill, and in the language of the day "the fat was in the fire." The charges involve the sergeant-at-arms of the assembly, the chief clerk, Senator Hurley of Alameda and former Assemblyman Brackett.

The author of the bill, Assemblyman Smith, declares that he became interested in the subject through discussing medical matters with a former law partner and that he introduced the bill in perfect good faith. Senator Hurley denies any connection with the matter, and others charged are equally positive that they have done nothing reprehensible.

It is of course, perfectly possible that their statements may be true. Every session measures are introduced affecting interests which employ lobbyists to defeat them. Sometimes lobbyists work because of their personal interest in the measure, sometimes they are regularly paid by attorneys.

It is proposed to thoroughly investigate not only the scandal connected with the Chinese herb bill, but a number of other measures, some venerable with age, having been introduced session after session and duly killed in committee, which are open to suspicion as what are commonly known as "cinch" bills, or in plain english bills intended to lead those they would injure to put up money for their defeat.

What the investigation will develop is doubtful, because it is possible that the bills may have been introduced perfectly innocently by their authors at the instigation of someone who expected to profit later by using his influence to "kill" them.

A measure that will be of interest in the rural districts is one by Senator H. V. Lewis, already favorably reported out of committee, which provides that schools may arrange to furnish lunches for school children at cost.

The agricultural legislative committee, representing thirty-two different farm organzations and some 65,000 farmers, is very much pleased with the reception it is receiving from the members of the two houses. It is the contention of the farmers that of the net profits that they make out of their labor they are asked to pay 86 per cent to the state, county and local districts in taxes. They think this unjust, and claim that the rest of the community pays only 34 per cent of its net profits in similar taxation.

One of the chief measures in which the farmers are interested is the taxation of publicly owned public utilities, such as the San Francisco municipal street car system, or the Los Angeles power system. It is advocated on the theory that as those systems are of benefit only to certain sections or localities they should pay into the state treasury taxes which would benefit the whole state.

Another measure proposes to tax public bonds at the same rate as that placed on bonds of corporations. Public opinion on these measures differs greatly.

The state controller has raised the question of whether the budget, which lumps the sums for salaries and "support" of the various state institutions complies with the constitutional amendment creating the budget. The controller is of the opinion that the salary account and the support account should be segregated and an appropriation made for each purpose. The opinion of the attorney general was asked on the subject.

Senator Hurley has a bill which would forbid under severe penalties all lotteries, raffles or games of chance of all nature, no matter for what purpose held, whether for churches, lodges or charitable objects.

In a message to the legislature Governor Richardson urged the approval of the six-state Colorado river compact, providing for the diversion of water for storage, irrigation and protection from flood in California, Colorado, Nevada, New Mexico, Utah and Wyoming. In 1923 the plan failed through the refusal of Arizona to enter the compact. The present resolution leaves that state out.

To secure a location for an historic marker showing the site of Sutter's mill, near which gold was discovered in 1848, the supervisors have been asked by Placerville parlor of native sons, to begin condemnation proceedings against property desired.

Harry V. Byles, assistant manager of the Majestic hotel, San Francisco was arrested by department of justice agents on a charge of embezzling thousands of dollars while cashier of the First National Bank, Perth Amboy, N. J., in 1916.

WIFE CHARGES HUSBAND WITH CRUELTY

Charging that her husband consorted with another woman, called her vile and indecent names, and was otherwise cruel to her, Helen Davis filed suit for divorce from William G. Davis in the Superior Court.

The couple were married on July 1, 1916, separating on February last. They have one child, 8 years of age, and community property consists of an automobile.

Mrs. Davis asks a divorce, and such sum for the support of herself and child as the court may deem necessary, in a complaint prepared by a local attorney.

Also, that four inch vitrified saltglazed ironstone pipe lateral or side sewers with wyes of the same material be constructed along the line of said proposed sanitary sewers herein mentioned and described in such number and in such locations as the same are more particularly shown upon the plans hereinafter referred to, which said laterals or side sewers shall extend from the said proposed main sewers to the curb lines of said streets and alley;

EXCEPTING from all of the herein proposed work and improvements such work and improvements of a like nature heretofore done and completed to the official lines and grades and in accordance with the plans and specifications hereinafter referred to.

ALL of the herein proposed work and improvements shall be done and made in accordance with and to the lines and grades as the same are shown upon the plans and in the specifications heretofore and on this 16th day of February, A. D. 1925, adopted by this board therefor, entitled, "Plans and specifications for the construction of sewers in a portion of Laurel Street, and in a portion of Cherry Street, and in a portion of the alley running through Block eleven, as said block is shown on that certain map entitled "Amended Map of the Town of San Carlos" filed in the office of the County Recorder of the County of San Mateo, State of California on the 2nd day of October, A. D. 1912, and recorded in Volume eight of Maps at pages No. 25 and 26 thereof, San Mateo County Records, within San Carlos Sanitary District of San Mateo County, which streets and alley are more particularly shown on the plans hereunto attached and made a part hereof," which plans and specification were by this board then and there adopted as the official plans and specification for the doing of said work and making of said improvements herein mentioned and described, and which plans and specifications are now on file in the office of the Secretary of this board and to which reference is hereby made for further particulars concerning the description, location and extent of the work and improvement and the boundaries of said district herein mentioned and described. And

WHEREAS, said contemplated work and improvement, in the opinion of said board of trustees, is of more than local or ordinary public benefit, by reason whereof said board hereby makes the expenses for the doing of said work and making of said improvements chargeable upon the district hereinafter described, which said district shall be known and is hereby designated as the "Assessment District" therefor, and said board hereby declares said district to be the district benefited by said work and improvement and to be assessed to pay the cost and expenses thereof, which said district is more particularly bounded and described as follows, to-wit:

BEGINNING at a point on the northeasterly line of Laurel Street distant southeasterly one hundred feet along the northeasterly line of said Laurel Street from the southeasterly line of Cherry Street; thence southwesterly, parallel with and keeping a distance of one hundred feet southeasterly at right angles from the southeasterly line of Cherry Street, to a point distant one hundred and fifty-five feet southwesterly from the southwesterly line of said Laurel Street; thence northwesterly, parallel with and keeping a distance of one hundred and fifty-five feet at right angles southwesterly from said southwesterly line of said Laurel Street, to a point distant one hundred and thirty feet southeasterly from the southeasterly line of Cypress avenue; thence northeasterly, parallel with and keeping a distance of one hundred and thirty feet southeasterly at right angles from the southeasterly line of said Cypress Avenue, to the southwesterly line of said Laurel Street; thence northwesterly along the southwesterly line of said Laurel Street ten feet; thence northeasterly, parallel with and keeping a distance of one hundred and twenty feet southeasterly at right angles from the southeasterly line of said Cypress avenue, to a point distant one hundred and sixty-five feet northeasterly from the northeasterly line of said Laurel Street; thence southeasterly, parallel with and keeping a distance of one hundred and sixty-five feet northeasterly at right angles from the northeasterly line of said Laurel Street, fifty-five feet; thence southwesterly, parallel with and keeping a distance of one hundred and seventy-five feet southeasterly from the southeasterly line of said Cypress Avenue, to the northeasterly line of said Laurel Street; thence southeasterly along said northeasterly line of said Laurel Street, to the point of beginning.

All of said property being within the San Carlos Sanitary District of San Mateo County, State of California.

Notice is hereby given that serial bonds bearing interest at the rate of seven (7%) per cent. per annum from their date shall be issued in the manner and form provided by the terms and provisions of an act of the legislature of the State of California, designated "Improvement Act of 1911," as amended and now in effect, to represent assessments of twenty-five ($25.00) dollars and over for the cost of said work and improvement, said bond shall extend from their date over a period of nine (9) years from the second day of January next succeeding the fifteenth day of next November, following their date and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January every year after the fifteenth day of the next November following their date, until the whole is fully paid and the interest shall be payable semi-annually by coupon on the second day of January and July respectively of each year after their date at the rate of interest aforementioned on all sums then remaining unpaid. Upon such bonds date after the fourteenth day of May of any year and on or before the fourteenth day of the following November the first interest coupon shall become due and payable on the second day of the next succeeding January, and upon such bonds date after the fourteenth day of November of any year and on or before the fourteenth day of the following May the first interest coupon shall become due and payable on the second day of the next succeeding July.

All of the herein proposed work and improvement shall be done pursuant to the terms and provisions of an act of the legislature of the State of California designated "IMPROVEMENT ACT OF 1911," approved April 7th, 1911, as amended and now in effect.

REFERENCE is hereby made to the RESOLUTION OF INTENTION No. 2 of said board of trustees declaring its intention to order said work to be done and improvements to be made for further particulars, on file with the Secretary of said board.

ALL PROPOSALS and bids shall be accompanied by a check payable to the "San Carlos Sanitary District of San Mateo County," certifeid by some responsible bank in an amount not less than ten (10%) per cent of the aggregate of the said proposal or bid, or a bond in an equal amount and so payable signed by the bidder and two sufficient sureties who shall justify before an office competent to administer an oath in double the amount and over and above all statutory exemptions.

Said proposals or bids shall be delivered to the Secretary of said board of trustees on or before the hour of eight o'clock P. M. on the 16th day of March, A. D. 1925, said time being not less than ten days from the date of the first publishing and posting of this notice, which time, day and hour is the time, day and hour set by said board for the opening, examining and declaring of any and all such proposals and (or) bids then so received by said secretary.

NEWS OF MENLO PARK

Miss Catherine and Miss Mary O'Day, two popular and charming young ladies of Menlo Park, have closed their home on Oak Grove avenue, and taken apartments at Palo Alto. The home here is for rent. The young ladies plan to permanetnly reside in the College City.

A vote for Clarence Walter for fire commissioner is a vote for a faithful and painstaking official who should receive a unanimous vote at the forthcoming election. He has been tried and has not been found wanting. The taxpayers of the fire district should keep Mr. Walter in office.

During the week the last parcel of land in the well known Doyle tract here was sold. The tract is the choicest and most exclusive building subdivision on the peninsula. Many professional men of San Francisco have bought sites there on which they plan to erect commodious modern homes. The parcels sold are from one acre and upwards.

James G. Mason has for eighteen years been a faithful school trustee saving the taxpayers many thousands of dollars during his administration by his economical and wise judgment in the affairs of the grammar school. He should be returned to the board by a unanimous vote.

Joseph A. Donohoe and family will close their city home on April first and open their house here. Mr. Donohoe during the week acquired the full ownership of the old Occidental hotel block on Sutter street, and plans to erect a million dollar banking building on the valuable piece of property. For many years a part of the property was owned by Richard Burke and the Donahue interests and the other portion by Mr Donohoe. Many years ago Richard Burke, known as the Irish Barrister, married Mamie Donahue, now deceased. Her inferest was bequeathed to her husband and sons. The proposed building is to be one of the finest banking structures in San Francisco.

The stage is all set for the big entertainment next Monday night in the Hall of the Nativity. A program has been arranged that will please and entertain all. Talent from San Francisco and various points of the peninsula has been secured for the occasion and beyond doubt the performance will be the best ever witnessed in Menlo Park. Mr. Amphlett's oration on St. Patrick, Ireland's patron saint, is to be a master piece. Every number will be appreciated and applauded to the echo, so fine will be the rendition. A capacity crowd is certain to greet the entertainers. After the performance a dance will take place, the music to be furnished by the Sharkey orchestra of Redwood City. Following is the program:

Orchestra.

Piano Duet—Emily McCarthy and Agnes Sullivan.

Fancy Dancing and Singing—Miss Cecelia Hewston and Miss Kathlene Hewston. Miss Frances Gray, instructor.

Oration by Horace P. Amphlett, editor San Mateo Times.

Dances under the direction of Miss Helen Robinson: Japanese Fan Dance—Bernice Kerstell, Pauline Gilcrest, Liola Scanlon, Laura Eikerenkotter, Lorraine Blythe, Helen Prendergast, Clara Sacht, Marie Kingsley, Elenor Falvey.

Pieriot, Pierroute—Maria Kingsley and Dolorita Falvey.

"Eliza" by Homer Taylor and Chorus.

Monologue, "The New Minister," by Homer L. Stack.

"Flowers From An Old Bouquette" by Miss Helen Robinson, assisted by Miss Clara Sacht and and Helen Prendergast.

Solo—Mrs. Harry Zimmerman, Redwood City.

Solo—Louis Tognoli.

Mrs. Frank Anders, manager of the Peninsula Players in specialties Players—Helen Robinson, Jim McGrath and H. Taylor.

Leo Keith, Comedian.

Character Sketch—Mr. James McGrath.

Ephram Mason, who passed away at Mountain View last week, was well known in Menlo Park, where he often visited his brother, James G. Mason. He was a retired merchant and ad reached the ripe old age of 82 years. Many years ago five Mason brothers, then very young men, arrived at Mountain View, and of the five only James G. Mason, living here, survives. They all gained prominence in the business world.

M. Piers, proprietor of the Home Dairy, will on the middle of the month, open a store on his property on the Willow road for his dairy products, including ice cream. This will be an opportunity for those desiring to purchase pure dairy products. The cows at the dairy are inspected weekly so that the milk is absolutely pure. The ice cream will be delicious and wholesome.

The people of Ravenswood are preparing to form a sanitary district. A petition to the board of supervisors is being circulated and when it is acted upon an election is to be called. It is proposed to sewer the entire district.

W. L. Roper, from Memphis, Tennesesse, has opened a grocerteria in the Coxin block. Mr. Roper has had four years' experience with the Piggly Wiggly of Memphis and San Francisco. Mr. Roper is to carry a full line of fruits and vegetables.

Just a little advice to the young men of Menlo Park, who in time are to take the place of those now active in business affairs. Young men are prone to spend more than they earn. A small sum invested in Menlo Park property now will bring rich reurns. Young man, buy a lot or still better an acre in this vicinity and hold it. Menlo Park has great possibilities. There is only one other place in all the world that has a better climate and that place in the Canary Islands. Menlo Park lies in the shadows of one of the greatest universities in the country, and around Stanford will spring up a vast population. In time Menlo Park will be the southern boundary line of San Francisco which is destined to become the great metropolist of the west, stretching down the peninsula, its natural outlet. Thirty years from now San Francisco will have a population of 2,000,000 and a portion of this vast body will have homes in Menlo Park, the choicest part of the peninsula. Palo Alto will be a big city, blending with Menlo Park and San Francisco. Property then will be very high and the young man investing now will be "sitting pretty" enjoying the results of his vision and the heeding this advice. Thirty years ago the writer negotiated for the purchase of a corner lot on University avenue, Palo Alto, at the time when the town was laid out. He went to close the deal in San Francisco, but the tracks were washed away by a big storm and he did not reach the city on the specified time and the deal was declared off. Another party bought the lot for $900. The other day the same property was sold for $85,000. Similar returns are certain to fall to the lot of the young man who buys real estate in Menlo Park today. Young man embrace the golden opportunity and put your savings in choice land here and thereby ensure wealth for your declining years.

Friends of Mr. John O'Farrel of Menlo Park are glad to hear that he is recovering from an operation performed recently in the Palo Alto hospital, where he was rushed last week, with very little hope of recovery.

Formal announcement has been made in Palo Alto of the engagement of Miss Ethel Lee, daughter of Mr. and Mrs. John Lee (nee Golder) of that city, to Mr. Leslie William Hills son of Mr. and Mrs. Reuben W. Hills of San Francisco. The marriage will take place in June. Miss Lee is the sister of Mrs. Millward Hunkin, the former Miss Lola Lee. She is a gradate of Stanford University and is a member of the Kappa Gamma sorority. Mr. Hills is also a graduate of Stanford University, where he was affiliated with the Theta Delta Chi fraternity. He is a brother of Mr. Edward Hills and of Mr. Reuben Hills of San Francisco.

The chrisening of little Miss Florence Atherton Eyre, infant daughter of Mr. and Mrs. Edward Engle Eyre, was solemnized Thursday afternoon in St. Mary's Cathedral, Monsignor Charles Ramm, officiating. The baby was named for her father's mother, Mrs. Edward Lilburn Eyre. Miss Mary Emma Flood and Mlle. Madeleine de Lencios, aunt of the child, were the godmothers, and the godfather was her uncle, Mr. Atherton Eyre.

OPERATOR STICKS TO HER TASK

While Miss Julia Johnson, toll operator at Fargo, N. D., was putting through a Long Distance call, the calling party was arrested and taken to jail. In the meantime the telephone operator succeeded in reaching the party desired, and when she learned the circumstances under which the other party had been compelled to leave the telephone, she asked to be allowed to talk to the constable, whom she persuaded to let the prisoner go to the telephone and talk to the party he had been trying to get.

PASS 200,000 MARK

The city of San Francisco recently installed its 200,000th telephone The growth of the telephone in the Golden Gate city during the last 20 years has been nothing short of phenomenal, for on June 1, 1906, there were but 4,953 telephones in the city.

Hindrance to Mariners

The Sargasso sea was discovered by Columbus on his first voyage. He became involved in it for about a fortnight. The sea is so named because of the large amount of seaweed particularly in the form of Sargassum bac-ciferum which it contains.

Violence Always Error

When you have convinced thinking men that it is right, and humane men that it is just, you will gain your cause. Men always lose half of what is gained by violence. What is gained by argument is gained forever.—Wendell Phillips.

NOTICE

TO
Taxpayers
OF THE
Town of Redwood City
For the Year
1925

All Taxpayers are required by law to annually make and deliver to the Assessor a statement, under oath, setting forth, specifically all the real and personal property owned by such person, or in his possession, or under his control, at 12 o'clock meridan, on the

First Monday in March

Accordingly, you are required to fill out the assessment blank in question and deliver the same at the office of the Assessor immediately, making oath thereto.

The property of all persons who refuse or neglect to furnish such statement will be arbitrarily assessed; and such assessment will not be subject to equalization. Refusal to furnish the statement above required will subject the person so refusing to a fine of $100.

Any information relating to the assessments will be furnished upon application to the Town Hall.

W. A. PRICE,
Assessor, Town of Redwood City.
March 14, 1925.
